League Format and Guidelines

1. Teams composed of a minimum of 14 players (co-ed).
2. Refer to score sheet to see how rosters should be filled.
3. Players will compete against one another based on ability and age in order to enhance their interclub experience. Any player can play up an age group(s), but cannot play in lower age groups.
4. Ten and under scoring will be first to six games, tie break at 6 all, with no ad scoring. All other matches will play an 8 game pro set with a tie break at 8 all with no ad scoring. If matches need to be shortened due to weather, court availability, etc. BOTH coaches must come to a mutual agreement on the format **prior** to match play. We encourage our kids to play more if there is time and court availability.
5. Host team is responsible for snacks, drinks, and balls.
6. Matches are to be played on Monday's at 11 A.M. starting July 1st.
7. After the match is finished, the winning team is responsible for emailing Victor Vidal at vvidal@navesinkcc.com to report the score.
8. If a team cannot fill all the positions/matches they will default those courts. However they can have players from previous matches play again so all kids are able to play at least one match. Exhibition matches are encouraged.
9. Please communicate by email with other clubs to coordinate prior to the match and share rosters and details.
10. A trophy will be awarded to the winning team.
